ACKNOWLEDGEMENT

Salutations to our beloved and highly esteemed institute, “**BAPUJI INSTITUTE OF ENGINEERING AND TECHNOLOGY**” for having well-qualified staff and labs furnished with the necessary equipment.

We express our sincere thanks to our guide **Dr. Naseer R**, Associate Professor, Department of Computer Science and Engineering, B.I.E.T., Davangere, for giving us the constant encouragement, support and valuable guidance throughout the course of the mini project without whose stable guidance this project would not been achieved.

We are grateful to mini–Project Coordinators **Prof. Archana T Chawhan**, Assistant Professor, Department of Computer Science and Engineering, B.I.E.T., **Prof. Shankar Sarji P**, Assistant Professor, Department of Computer Science and Engineering, B.I.E.T., and **Dr. Jyothi G C**, Associate Professor, Department of Computer Science and Engineering, B.I.E.T., Davangere, for their constant support and feedback through-out this mini-project.

We express whole hearted gratitude to **Dr. Nirmala C R** who is our respectable HoD of Computer science and Engineering Department. We wish to acknowledge her help who made our task easy by providing with her valuable help and encouragement

We also express our whole hearted gratitude to our respected Principal, **Dr. H B Aravind** for his moral support and encouragement.

We would like to extend our gratitude to all Teaching and Non-Teaching staff of the **Department of Computer Science and Engineering** for the help and support rendered to us. We have benefited a lot from the feedback, and suggestions given by them.

We would like to extend our gratitude to all our family members and friends especially for their advice and moral support.
